

Blasting Permit Application

Name of Applicant:

Home Address:

Business Address:

Please list all phone numbers for applicant:

Please attach a copy of all the following documents:

Proof of Workers Compensation Insurance

Proof of Liability Insurance as per Sec 79-13

Valid State of New York Department of Labor Explosive License.

Valid State of New York Department of Labor Certificate of Competence to use explosives.

Please attach a list of the address(es) and description of the specific location of the blast area and the name(s) and address(es) of the owner(s) of said property, a description of all structures adjacent to the blast area and the names and addresses of all owners, the purpose of the blasting and the amount and type of material to be blasted.

Blasting will only be permitted Monday through Friday from 8:00 a.m. to 5:00 p.m. Weekend and legal holiday blasting is prohibited unless special permission is granted by the village in writing and attached to the blasting permit in question. The village retains the right to make other restrictions if necessary.

The applicant's signature will indicate that the applicant has received a copy of Chapter 79 of the Village of Fishkill Local Code and that the applicant has read and understands all aspects of same. In addition all information the applicant has provided is true and that the applicant will abide by all local ordinances, codes, federal, New York State, IME, and explosive industry standards regarding the safe and efficient use of explosives as well as the restrictions set forth in this chapter. This permit shall remain in effect for the specific job, and a new permit is required for each new job, as long as his or her license and his or her certificate remain valid. Invalidation or expiration of either one causes this permit to be invalid also. The fee for each application shall be \$100.
